WHOLESALE PRICE LIST

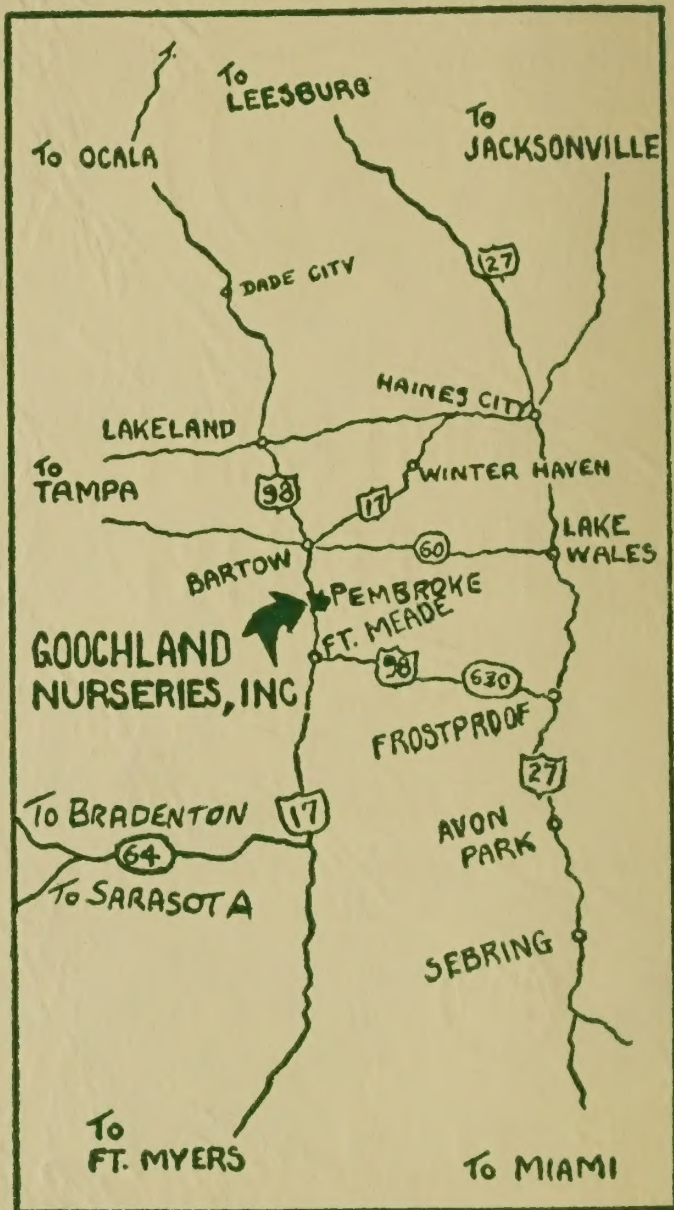

FALL - 1960

***Liners and
Container Grown Nursery Stock***

Goochland Nurseries, Inc.
PEMBROKE, FLORIDA

Phone: Fort Meade, ATwater 4-5401 - Pembroke, Fla.

"A MESSAGE TO YOU"

We try very hard to live up to our motto, "Home of Quality Grown Plants", and at the same time increase our quantity which we have done this past year.

We want to thank each and everyone of our customers for their fine patronage, for had it not been for you, we would not have been able to have the quantity and quality that we now have available.

We want to extend to you a cordial invitation to visit our nursery to select or to see the fine lot of liners and container grown stock that we now have to offer you.

We trust, that the sketch on opposite page will be of help to you in finding our nursery.

Most sincerely,

R. E. "Ed" Brown

SALES AND CONDITIONS

PRICES: The prices listed herein are for use by Nurserymen. Florists and Dealers only. They are based on quality of stock and current conditions. Prices subject to change without notice. This list cancels all previous price lists.

TERMS: Our regular terms are cash, however we will arrange credit for well established firms. All open accounts become due and payable on or before 10th of month, following date of purchase. All overdue accounts will be subject to 1% monthly interest charge. **NO DISCOUNTS ALLOWED ON OPEN ACCOUNTS.**

CONDITIONS: We accept all orders subject to prior sale, and all orders accepted on condition that they shall be void should stock become damaged in any way prior to shipping date.

SHIPPING: We will deliver via our truck without charge, up to 200 miles from our nursery when invoice amounts to \$3.00 for each mile from our nursery to yours. Split loads may be arranged. Minimum order for each stop, \$75.00. Will arrange for long distance deliveries.

PACKING: We are prepared for packing container grown stock — 2½" pot through 50 lb. cans. For public carrier delivery, minimum order for shipping, \$20.00. No charge for packing of 2¼" pot; 2½" pot; 3" pot. All shipped in paper cups or plastic pots. A packing charge of \$1.00 per carton on all other size pots and/or containers.

Number plants per carton and approximate weight:

2 $\frac{1}{4}$ " and 2 $\frac{1}{2}$ " pots -----	50 plants—16 lbs.
3" pot -----	36 plants—27 lbs.
4" pot -----	24 plants—27 lbs.
Plantainers -----	6 plants—34 lbs.
2-gal. Lerio -----	4 plants—38 lbs.
3-gal. Lerio -----	2 plants—32 lbs.
Egg can -----	2 plants—54 lbs.
7-gal. can -----	1 plant —50 lbs.

PLEASE ORDER FULL CARTONS.

Minimum quantities of any variety:

25 — 2 $\frac{1}{4}$ " pots.

25 — 3" pots.

12 — 4" pots.

10 — Plantainers.

5 — 3-gal. Egg can and 7-gal.

All orders packed for public carrier delivery must total \$20.00.

Guarantee: The Goochland Nurseries, Inc., warrant to the extent of the purchase price that our nursery stock is sold true to name and as described within recognized tolerances. Seller gives no other or further warranty, express or implied, and will under no circumstances be liable for more than the invoice value at the time of purchase.

ALAMANDA HENDERSONI (Brown Bud)

Tropical — A medium size shrub with waxy leaves and flowers about five inches across. Flowers of golden yellow all summer.

2½" pot -----	.20
Gallon can -----	.75
Egg can -----	1.75

ALSOPHILA AUSTRALIS

(Australian Tree Fern)

Stems are very slender and graceful with a crown of spreading light green fronds. Prefers shade.

Gallon can -----	1.50
------------------	------

ARBORVITAE AUREA NANA

(Berkman's Golden)

Slow growing, dense and shaped like a pointed globe. Bright golden yellow.

2½" pot -----	.20
Gallon can -----	.75
Egg can -----	1.75

BIGNONIA VENUSTA (Flame Vine)

Tropical — Foliage medium to large, light green and pointed. Flowers in late winter and early spring. Clusters of Orange-red tubular blooms.

Gallon can (staked) -----	1.00
---------------------------	------

CALLIANDRA RED (Red Powder Puff)

Tropical shrub — Bright red stamens, shaped like powder puffs. Foliage, dark green.

2½" pot -----	.20
Gallon can -----	.65

CALLISTEMON LANCEOLATA**(Bottle Brush)**

Hardy — Small growing tree with stiff branches and large leaves. Produces mass of bright red bottle brush like flowers.

2½" pot -----	.20
Gallon can -----	.75
Egg can -----	2.50

CALLISTEMON RIGIDUS (Bottle Brush)

Hardy — More rigid than the above. Tall, bushy shrub rather than tree. Bright red bottle brush like flowers.

2½" pots -----	.20
Gallon cans -----	.75
Egg can -----	2.50

CALLISTEMON VIMINALIS (Bottle Brush)

Hardy — Tall, slender shrub or small tree, with slender, semi-weeping branches, with bright scarlet bottle brush like blooms.

2½" pot -----	.20
Gallon can (staked) -----	1.00
Egg can (staked) -----	2.50.

CARISSA BONSAI

Spreading growth, Dark green foliage. White flowers.

2½" pots ----- .20

CARISSA BOXWOOD BEAUTY

Semi-tropical — A very compact growing Carissa with the same dark, shiny green leaf as the old Grandiflora, with white flowers and fruit.

2½" pot ----- .25

Gallon can ----- 1.00

CARISSA LINKII

Compact growing with small dark green shiny leaves. Very good for hedges. White flower and fruit.

2½" pot ----- .40

Gallon cans ----- 1.50

CHALCAS (Orange Jasminum)

Tropical — Foliage is small, very shining and a bright green. Flowers about the size of an orange blossom. White and very fragrant.

2½" pot ----- .20

Gallon can ----- .75

CONFEDERATE JASMINUM

Hardy — A splendid hardy vine of dark green, waxy, medium size leaves. Star shaped white clusters, flowers in early spring.

2½" pot -----	.20
Gallon can (staked) -----	1.00
Egg can (staked) -----	2.50

CORNUS FLORIDUM (White Dogwood)

Small tree with deciduous leaves. Small white or greenish-white flowers.

Gallon can -----	.75
Egg can -----	2.50

CUPHEA HYSSOPIFOLIA (Lavender, Red)

Tropical — Splendid for low borders and hedges. Foliage small. Dainty blossoms, Prefers partial shade.

2½" pot -----	.18
Gallon can -----	.50

EPIPHYLLUM OXYPETALUM

(Night Blooming Cereus)

Tropical — The enormous, waxy, white flowers open at night. Very fragrant. Buds have beautiful red cast before opening.

2¼" pot -----	.18
Gallon can -----	1.00

EUCALYPTUS SALIGNA

Tall shaft-like tree. The bark is smooth and bluish in color. Leaves are pale green and flower white.

Egg can ----- 1.75

EUPHORBIA BOJERI

Dark green leaves, very compact growing, dark red flowers and holds foliage very well.

2½" pot ----- .30

Gallon can ----- 1.00

EUPHORBIA KEYSII

Larger leaves and more robust growing plant than the above with pink flowers.

2½" pot ----- .50

Gallon can ----- 2.00

FICUS PANDURATA (Banjo Fig)

Tropical — Extremely large and long leaves. Very good for pot or tub culture.

Gallon can ----- 1.25

Egg can ----- 2.50 Up

FICUS NITIDA (Indian or Cuban Laurel)

Tropical — Small laurel-like, dark green leaves. Tall, upright in growth and spreading. Fairly hardy.

2½" pot ----- .18

Gallon can (staked) ----- 1.00

Egg cans (staked) ----- 2.50 Up

FICUS PHILLIPINSIS

Tropical — Drooping branches with graceful, narrow leaves, with long tips.

2½" pot -----	.18
Gallon can -----	1.00
Egg can -----	2.50 Up

FICUS RADICANS VARIEGATED

Sub-tropical — A fast growing type of climber, with small pointed leaves of green and white — of great beauty.

2½" pot -----	.25
---------------	-----

GARDENIAS

Sub-tropical to hardy — We only grow Gardenias grafted on Thunbergia root stock. Varieties listed below.

2¼" pot -----	.50
Gallon can -----	1.25
Egg can -----	2.50

BELMONT — An old variety, compact, medium size white flower. Mid-season bloom. Foliage somewhat larger than Veitchii.

CORAL GABLES — A new variety. Flowers very large, showing no stamens. Blooms throughout summer. Foliage very large and dark green. Compact.

10 GOOCHLAND NURSERIES, INC.

GLAZERI — Tall growing, foliage large, light green in color. Very large flowers. An early bloomer.

RADICANS — Miniature gardenia, having very small, glossy leaves. Very small white fragrant flowers. Blooms in late spring and early summer.

U. S. No. 1 — Somewhat identical to Glazeri. Foliage somewhat darker. Flowers very large. Blooms early.

VEITCHII — Compact growing dwarf form of the Gardenia family. Hardest type. Free blooming flowers.

GREVILLEA ROBUSTA (Silk Oak)

Sub-tropical — Beautiful fern-like foliage, dark green above and silvery underneath. Orange yellow flowers.

Egg can ----- 1.75

ILEX CORNUTA ROTUNDA

(Dwarf Chinese Holly)

Compact growing Holly. Ideal for shade and sunny plantings. Produces no berries.

Gallon can ----- 1.00

ILEX VOMITORIA (Dwarf)

Compact. Shiny slightly spined leaves and refined, low growth. Desirable in planters and ground covers.

2½" pot -----	.25
Gallon can -----	1.00

IXORA CHINENSIS

Very low, compact, growing with orange-red blossoms. Does better in semi or full shade. Ideal for indoor planter boxes.

2½" pot -----	.20
Gallon can -----	1.00 up

IXORA COCCINEA (Flame of the Woods)

Tropical — Handsome ever-green shrub with large dark green foliage. Clusters of brilliant red star shaped flowers on slender tubes.

2½" pot -----	.20
Gallon can -----	.75
Egg can -----	1.75

IXORA HENRY MORAT (Tropical)

Delicate pink flowers. Free bloomer. Compact grower.

2½" pot -----	.30
---------------	-----

IXORA ROSEUM (Tropical)

Bushy grower. Coral pink flower. Apparently free bloomer.

2½" pot -----	.20
Gallon can -----	1.00

IXORA YELLOW (McKee's)

This one has proven to be a very good strain, showing practically no chlorosis.

2½" pot -----	.20
Gallon can -----	1.00

IXORA SUPER KING

Named by size of leaf and flower as the leaves and flowers are extra large. Very slow grower, due to extra heavy flowering. Flowers in extra large clusters.

2½" pot -----	.30
Gallon can -----	\$1.00 up

JASMINUM ILICIFOLIUM

Sub-tropical — Very shiny, somewhat pointed foliage, and terminal rather open clusters of large fragrant white flowers.

2¼" pot -----	.18
Gallon can -----	.60
Egg can -----	1.65
Egg can (Fla. Fancy) -----	2.00

JASMINUM PUBESCENS

Sub-tropical — Evergreen shrub. Flowers white. Fine for foundation planting.

2½" pot -----	.18
Gallon can -----	.60
Egg can -----	1.65
Egg can (Fla. Fancy) -----	2.00

JASMINUM ROBUSTA

A selected seedling of ours and has practically same habit of growth as Illicifolium. Foliage lighter in color, flowers pure white. Good bloomer.

2½" pot -----	.18
Gallon can -----	.60
Egg can -----	1.65
Egg can (Fla. Fancy) -----	2.00

JASMINUM SIMPLICIFOLIUM

Sub-tropical — Bushy and thick in growth. May be used as a low hedge or for base planting. Flowers white.

2½" pot -----	.18
Gallon can -----	.60
Egg can -----	1.65

JUNIPER CONFERTA (Shore Juniper)

A very prostrate growing evergreen. Attractive light green foliage. Excellent for ground covers or planters.

2½" pot -----	.20
Gallon can -----	1.00

JUNIPER FRUITLANDI

A very compact, spreading Juniper. Dark green color.

2½" pot -----	.20
Gallon can -----	.75

LANTANA FLORIDA YELLOW

Foliage very much like that of Sellowiana. Rich yellow flowers blooming most of the year.

2½" pot -----	.18
Gallon can -----	.75

LANTANA SELLOWIANA (Trailing)

Low spreading evergreen shrub with deep green, leathery leaves. Lavender-pink flowers most of the year.

2½" pot -----	.18
Gallon can -----	.60

LIGUSTRUM LUCIDUM

Hardy — Wax Privet. Broad-leaved evergreen shrub. Dark green shining leaves.

2½" pot -----	.18
Gallon can -----	.60
Egg can -----	1.65
Egg can (Fla. Fancy) -----	2.00

MAGNOLIA GRANDIFLORA

Medium size evergreen tree with large deep green, glossy leaves and immense lily-like fragrant flowers.

2½" pot -----	.20
Gallon can -----	.75
Egg can -----	2.50

MALPIGHIA COCCIGERA

Tropical — Dwarf Holly. Shiny, holly-like foliage. Seldom reaches a height of more than two feet. Small light pink flowers.

2½" pot -----	.18
Gallon can -----	.75
Gallon can (Fla. Fancy) -----	1.00

MALPIGHIA COCCIGERA PROSTRATE

Same as above. One we found growing very prostrate along side of an upright grower.

2½" pot -----	.18
Gallon can -----	.75
Gallon can (Fla. Fancy) -----	1.00

OAKS

Live Oaks and Laurel Oaks.

Egg cans -----	2.50
----------------	------

OLEANDERS

(Double Pink, Double Red, Double White, Double Yellow, Single Pink, and Single White.) Large growing evergreen shrub with long narrow dark green leaves. Flowers in clusters. Blooms through late spring and summer months.

2½" pot -----	.20
Egg can -----	1.75

OSMANTHUS ILICIFOLIUS

Slow compact growth. Attractive white flowers in fall. Similar to English Holly.

2½" pot -----	.20
---------------	-----

PALM ARECA

Tropical — Slender, ringed trunks and graceful curving foliage. Prefers moist soil and somewhat shaded location. Very good for house culture.

Gallon can -----	1.25
2 Gallon can -----	2.50
Egg can — 3'-4' -----	4.50
Egg can — 4'-5' -----	6.00

PALM BEAUCARNEA RECURVATA

(Nolina)

Gallon can -----	1.25
5 qt. can -----	2.50

PALM COCOS PLUMOSA (Queen Palm)

Sub-tropical — Particularly adapted to high, well drained sections of the state. The trunk is more slender than the Royal Palm, but the head of foliage more graceful and plummy.

2½" pot -----	.20
Egg can — 4'-5' -----	2.50 up

PALM CYCAS REVOLUTA (Sago Palm)

A slow growing palm-like plant with deep green shining pinnate leaves about 3 to 5 feet in length. Reaches a height of about 10 feet.

Gallon can -----	1.50
------------------	------

PALM LIVISTONIA (Chinese Fan)

Hardy — Rather slow growing. Large handsome fan leaves. Recommended for partially shaded locations.

2½" pots -----	.20
Gallon can -----	1.00
Egg can -----	3.50

PALM NEANTHE BELLA

Very dwarf growing palm, more suited for pot and tub culture, as it requires shade.

Gallon can (heavy) -----	1.50
--------------------------	------

PALM PHOENIX ROEBELENI (Pigmy Date)

Sub-tropical — A dwarf species suited for pot and tub culture. Foliage fern-like. Thrives equally well in either sun or shade.

2½" pot20
Gallon can (heavy)	1.25
Egg can — 18-24"	3.50
Egg can — 24-30"	4.50

PASSIFLORA COCCINEA

(Red Passion Flower)

A vigorous free flowering semi-hardy vine. Produces vivid red flowers against rich green leaves.

2½" pot35
Gallon can	1.50
Egg can	4.50

PENTAS

Celestial Rose, Coral Pink, Orchid, Vivid, White. Tropical — Rather dwarf shrub, compact grower, almost continually in bloom. Flowers in small clusters.

2½" pot18
Gallon can50

PHILODENDRON SELF HEADING

Good for pots, tubs and landscape work. Assorted varieties.

Gallon can	1.00
Egg can	2.50

Specimen plants — Prices on request.

PITTOSPORUM TOBIRA

Evergreen shrub with long shiny green leaves. Fragrant white flower.

2½" pot -----	.18
Gallon can -----	.75
Gallon can (Fla. Fancy) -----	1.25

PITTOSPORUM TOBIRA VARIEGATA

Similar to Tobira, but dwarfer in growing habit. Foliage is a combination of light green and white variegated leaves.

2½" pot -----	.20
Gallon can -----	1.00
Gallon can (Fla. Fancy) -----	1.25

PODOCARPUS MAKI

A Columnar compact growing evergreen shrub with very narrow leaves.

2½" pot (cutting grown)	
(1 plant) -----	.20
Gallon can (tall slender) -----	.75
Gallon can (bushy) -----	1.25
Egg can — 24-30" -----	2.50
Egg can — 30-36" Specimen ----	3.50 up

PODOCARPUS REASONERI

Similar to Maki except leaves are much larger.

2½" pot (cutting grown)	
(1 plant) -----	.20
Gallon can (tall slender) -----	.75
Gallon can (bushy) -----	1.25
Egg can — 24-30" -----	2.50
Egg can — 30-36" Specimen ----	3.50

PYRACANTHA VICTORY

A strong fast growing Pyracantha with berries of large glistening red color.

2½" pot -----	.18
Gallon can -----	1.00
Egg can -----	2.50

ROSE LOUIS PHILIPPE

Foliage dark and glossy. Compact and vigorous. Everblooming flowers of deep red.

2 Gallon can -----	1.25
--------------------	------

SCHEFFLERA

Tropical — Shrub with leaves seven inches long and two inches wide. Good for tub or patio. (Two to three plants in each container.)

Gallon can — 12-15" -----	.75
Gallon can — 18-24" -----	1.00
2 Gallon can — 24-30" -----	1.75
Egg can — 36" to 42" -----	2.50 Up

STRELITZIA NICOLAI (Bird of Paradise)

Realistic bird-like flowers in white and blue. Large, long leaves similar to a Travelers Palm.

Egg can — 36" to 42" -----	2.50 up
----------------------------	---------

STRELITZIA REGINAE (Bird of Paradise)

Trunkless, long, leathery gray leaves, flowers orange and blue.

2 $\frac{1}{4}$ " pot -----	.30
3" pot -----	.50
Gallon can -----	1.50
2 Gallon can, 5 years old, ready to bloom -----	2.50
Egg can, 5 years old, ready to bloom, single plant -----	3.50
Egg can — 2 division -----	6.00
Egg can — 3 division -----	8.00

TABERNAEMONTANA

Dense, bushy plants growing 3 to 5 feet high. Shiny green leaves and white flowers. Blooms profusely.

2 $\frac{1}{2}$ " pot -----	.25
Gallon can -----	1.00

THRYALLIS GLAUCA

Tropical — Foliage small, rounded, light green. Brilliant clusters of yellow flowers.

2 $\frac{1}{2}$ " pot -----	.25
Gallon can -----	.75
Egg can -----	1.75

THUNBERGIA ERECTA

Tropical — Dark green, rather small pointed foliage. Thrives well in sun or shade. Medium size flowers of deep purple with yellow throat.

2 $\frac{1}{2}$ " pot -----	.20
-----------------------------	-----

VIBURNUM ODORATISSIMUM

Hardy — Large leaves, rich glossy green. Fragrant white flowers, blooming in late spring.

2½" pot -----	.18
Gallon can -----	.60
Egg can — 2-3' -----	1.60

VIBURNUM SUSPENSUM

Hardy — Dwarf spready habit. Foliage large, deeply veined and rather tough. Small fragrant cream colored flowers.

2½" pot -----	.20
Gallon can -----	.75

AZALEAS INDICAS

All of our Azaleas are container grown as we find this to be very convenient for you and your customer. We offer to you the following varieties:
